The pavilion – reception venue

The Pavilion is McClelland’s distinctive event venue designed by award winning architect Kerstin Thompson. Our purpose-built space is elegantly proportioned with views over the Park and McClelland’s unique collection of sculptures. The Pavilion features high ceilings with glass doors offering stunning vistas of the sculpture park’s natural amphitheatre.

Our food and beverage offering has been crafted to celebrate the wonderful produce of this region and showcase a considered range of producers based on the Mornington Peninsula. Let us work with you to define the ideal menu for your guests.

Music can be coordinated in The Pavilion through discussion with our team, additional charges may apply.

Capacity:

Cocktail 200 guests

Seated 90 guests
