

SUNDAY 16 AUGUST

2:30pm–4pm

Grigoryan Brothers

With a repertoire spanning centuries, continents, and genres, displaying amazing telepathy and the ability to evoke emotion from every note, Slava & Leonard Grigoryan are justifiably regarded as Australia's finest classical guitarists.

This performance will feature works from **Past, Present and Future** projects:

Past: Favourite works from their back catalogue - from Bach to Towner, from Tchaikovsky to Lovelady.

Present: Their own compositions and arrangements including a selection from their album/project '*This Is Us: A Musical Reflection of Australia*' (a collaboration with the National Museum of Australia) and selections from their most recent release '*Amistad*'.

Future: An album of Spanish music, and another album of Handel keyboard suites masterfully arranged for them by their most highly honoured collaborator – their father Edward.
